

The Poseidon Series Is A Trio of Success for Tigersharks

The CFYN Tigersharks hosted the first ever Poseidon Series this short course season. The series consisted of three individual meets hosted by the Tigersharks held at the University of Akron. A total of 784 swimmers participated in the series.

The first of the series, Rocktober Pentathlon was held Oct. 18 and consisted of five individual events per swimmer.

The Tigersharks continued with fast swims at the Sleigh Ride Spectacular, the second meet of the series held on Dec. 13. Swimmers could score in four individual events.

"I was pleased with our swimmers in all age categories. I'm proud of our performance at our meet series. Our swimmers worked hard and it was great to see their progress and improvement over the three meets. " Head coach Dale Craddock summed up the Poseidon Series.

The final meet of the series, Hang Ten was on Jan. 17. At the grand finale meet, swimmers could participate in three individual events.

At the conclusion of the meet, overall high point prizes were awarded for the entire series. The following Tigersharks swimmers placed in the following categories:
