

Volunteer Contract

With the exception of the coaches, the Tigershark swim team is run 100% by volunteers. As such it is essential that everyone do their fair share to contribute to the running of the team. Without the collaborative effort of all families meets cannot be held successfully. Therefore all families are required to work a minimum number of meets during the season. ***If a family does not meet their minimum requirements the Booster Board reserves the right to not enter your swimmer(s) into championship meets, which may include YMCA Divisionals, YMCA Leagues, YMCA Zones, YMCA Nationals, and USA Championships. If this occurs any applicable Divisional fees are considered non-refundable.*** On the other hand, any family who exceeds their minimum volunteer requirements will earn entries into our volunteer incentive raffle for each volunteer position they fill above and beyond their minimum requirement. Grand prize is a \$100 CAS gift card plus additional swimming related prizes will be raffled off to other winners. (See the website for more details)

Full Time Tigershark Requirements:

All families who have at least one full time Tigershark (aka a swimmer who does not swim for their High School) must work a minimum of 4 meets during the season. At least one of those must be a CFYN hosted Invitational (Rocktober Pentathlon, Hang Ten, or YMCA Divisionals). Failure to complete this requirement will result in your swimmer not being eligible for Championship meets.

High School Pre-season Requirements:

All families who have only High School Preseason swimmers must work at least 1 meet. Failure to complete this requirement will result in your swimmer not being eligible for Championship meets.

In order to have your volunteer work count toward your requirement you must follow these 3 simple steps:

1. Sign up for your position through Volunteer Spot or the Volunteer Coordinator. (Volunteer Spot is preferred, a link and a step by step guide on how to sign up is available on our website www.cfyntigersharks.com)
2. Show up to the meet you are scheduled to work at and sign-in with the volunteer check-in person. Signing in is a MUST!
3. Do all of the required work of your position.

Special Circumstances:

If you have a special circumstance, such as a disability or other medical issue etc.. Please contact the volunteer coordinator EARLY in the season so they can try to help you find a position that suits your needs. If you wait until later in the season they may not be able to help. Please keep in mind that even though you may have special circumstances, the requirements to volunteer still apply, there are no full exemptions.

Cancellations:

If something comes up and you cannot attend a meet that you signed up to work you must contact the Volunteer Coordinator via email immediately. Then it is your responsibility to sign up for an alternate volunteer position for a different meet ASAP to fulfill your obligation.

Please keep a copy of this form for your reference, and return a signed copy with your registration form. Additional copies are available on our website and at registration. Turning in this form is required in order for your swimmer to be considered a member of the team. For more information on Volunteering please visit our team website or contact our Volunteer Coordinator Doug Crowe at maczdaddy@sbcglobal.net.

I have read the above Volunteer contract and understand that I am required to work at a minimum number of meets during the Tigershark season. I further understand that failure to complete my minimum requirement of work may affect my swimmer(s) eligibility to participate in Championship meets.
