Meet Work Requirements:

Families that have only high school preseason swimmers **must work at least one meet season**. If you qualify for Championship meets you'll be required to help fill our team volunteer obligations at those meets as well.

Participation Requirements:

Meet participation is an integral part of training, as such the coaches expect you to attend practices regularly and compete any available meets during the pre-season. Swimmers are also expected to compete in any Championship meets which they qualify. Preseason swimmers may compete with the Tigersharks until their first high school meet, and may return to Tigershark meets after their last high school meet.

Escrow Accounts:

Dual meets do not have any additional charges; however, YMCA & USA Invitationals will have per event fees which you will be responsible to pay through your escrow accounts. All past due escrow accounts

must be paid in full on the day of registration. We recommend an initial deposit of \$25 to begin the season for High School Pre-season participants.

YMCA Memberships:

YMCA memberships are handled directly through the Riverfront YMCA. If you would like to discontinue your membership at the conclusion of the season, you must contact the YMCA directly.

Age Group Add-on:

Age group swimmers already sign-up for the Senior group may add on morning practices with the High School group for a \$50 fee. Coach's permission required.
