EVENT SEEDING: The Meet Director/Administrative Official reserves the right to combine heats.

SCRATCH PROCEDURES: An athlete is considered entered into an event unless he/she scratches from that event. If an athlete does not scratch from an event and does not swim the event, that event still counts toward the athlete's total number of events for the meet.

DECLARED FALSE START: An athlete may also withdraw from a heat or swim-off by electing to take a declared false start. Such declaration must be made known to the Deck Referee before the heat or swim off is announced. A declared false start counts as an event swum for the athlete and will be counted in the maximum number of events allowed for each athlete.

WARM-UP SAFETY PROCEDURES: Teams will be assigned lanes for warm-ups based on number of swimmers. This will be posted by February 29th. During designated warm up sessions, athletes may only enter the competition pools from the starting end. Athletes are expected to use a three-point entry in which they sit on the side of the pool then slide into the pool gently, with one hand on the wall. The exception is during specific warm up periods when sprint lanes are designated for practicing racing starts.

Lake Erie Swimming safety guidelines and warm-up procedures will be in effect at all times. Coaches must maintain contact with their swimmers during warm-up. There is no diving during warm-up, except in designated sprint lanes.

Swimmers are to sprint one way and climb out at the far end of the pool. Swimmers may be removed from warm-up for violating safety rules.

CLERK OF COURSE: There will not be a clerk of course. Each team will take their 10 & Under swimmers directly to the blocks and 11 and older swimmers should report directly to the blocks.

SWIMMERS AREA: Each team will be supplied an area on the pool deck to gather and wait for their next race. These areas will be identified. Each team will be responsible for their marked off area.

STARTS: 'Fly-over' starts may be used at this meet at the discretion of the meet referee in the 11 & over events only. Should fly-over starts be used, all swimmers (except for Backstroke starts) should remain in the water at the completion of their race until the next heat has begun.

PROTEST PROCEDURE: Protests may only be initiated by a person with standing, that is, a coach or YMCA supervisor whose team is competing in the meet. The Championship committee (NEO Y League officers with advisement of the meet referee) will arbitrate protests, eligibility issues, safety rules and other issues.

1. Click "Continue"
2. Once you hit continue, you will be taken to your main page.
3. Scroll down until you see the "Athlete Protection Training" section.
4. If you are under 18 you will need to check the box that says you have parental consent to take the course.
5. Hit "Start"
6. If you have not made a USA Swimming Account, you will need to do so by entering your email, your LSC (Lake Erie Swimming) and your club (YMCA).
