

Cuyahoga Falls Tigershark Swim Team **Sponsorship Level Opportunities**

To Our Friends in the Local Business Community,

The Cuyahoga Falls Tigershark Swim Team provides an environment where swimmers of all levels of ability can develop their technical skills and character values through competitive team membership. We continually strive for excellence both in and out of the pool by providing quality leadership that motivates our swimmers to grow and succeed both as individuals and as a team. Focuses on sportsmanship, hard work, dedication, healthy conditioning of the body, and encouraging our athletes to be well rounded individuals provides an environment where fun and improvement are inevitable rewards at all ability levels.

Accomplishing this task is only possible through the hard work and dedication of our coaches, volunteers, and sponsors...like you. As a team, the Tigershark Swim Team hosts a unique set of meets called The Poseidon Championship Series, which consists of 3 large invitational meets held at the University of Akron each season. This series includes the Rocktober Pentathlon on October 15, 2023, the Sleigh Ride Spectacular Invitational on December 10, 2023 and the Hang Ten Invitational on January 14, 2024. The Poseidon Championship Series tends to see around 700 total swimmers competing from all over Northeast Ohio, as well as swimmers from Sandusky, Pennsylvania, and New York.

We ask that you please consider sponsoring the 2023-2024 CFYN Tigershark Swim Team and the Poseidon Championship Series. By sponsoring, your business has an excellent opportunity to advertise in a cost effective way, reaching a large group of people both within our area and the extended community. Each meet has attendance numbers in the thousands including swimmers, parents, relatives, and coaches to hear the announcements throughout the meet and see your ads. You'll also receive adverting links to both our team website and the Poseidon Championship Series website. Both sites are very popular and receive thousands of hits from swimmers and their parents from all of the area. Your contribution will provide an excellent opportunity to promote your business to hundreds of swim families in the Northeast Ohio area, the Sandusky area, Pennsylvania, and possibly more as our series continues to grow.

In addition to monetary Sponsorship, our team is also seeking materials and goods to help defray our operating costs, or things that can be used as swimmer incentives. These items include but are not limited to: Prizes/gift cards for our basket raffles, food, drinks, or paper products for our hospitality rooms or team parties, swimming related equipment, and much more. The value of these "In-Kind Sponsorships" would count toward the cost of leveled Sponsorships. Please take a few minutes to review the attached sponsorship levels and contact us with any questions you might have about our team, the Poseidon Championship series, or our Sponsorship program. Thank you for your time and consideration.
